OUR GUARANTEE Even with the highest quality of seeds and bulbs, success in gardening depends largely upon soil, cultivation and weather conditions. Therefore, we give no warranty, expressed or implied, as to the productiveness of any seeds, bulbs, or other items we sell, and we will not in any way be responsible for the crop. We are willing to refund money paid for the seeds or bulbs if they are not as represented. In all instances our liability is limited to the actual cost of the seeds or bulbs sold by Ericks of Seed Store.
